When Harry Met Elvis...

Elvis Presley, a St. Louis Cardinals fan, was also a huge fan of Harry's and his irreverent style of broadcasting. One day, Elvis heard Harry was in Memphis, so he called him at his hotel and invited him to Graceland. They hung out all night, talking baseball, drinking beer, and eating a barrel of ribs. It was one of Harry's fondest memories, and it inspired us to create this BBQ and Beer focused menu. We even have an original pair of Elvis' iconic glasses on display at the center of the restaurant (another thing Harry and Elvis had in common).
